Dear Parents & Carers...

We want children to make as much progress as possible in the summer term. You can support this by:

- Ensuring that they have the correct uniform and that all their clothing is labelled with their name.

- Encouraging your child's growing independence by letting them come into the classroom and hang up their belongings by themselves.

- Listening to them read, and asking them questions about the text.

- Practising numeracy skills such as number bonds, telling the time, money and addition and subtraction methods.
- Joining your children in the mornings for handwriting.

- Working with your child to complete their maths homework each week.

- If you have any questions or if you or your child have any worries, please come and let us know - no matter how small.

We are always happy to listen, so please just pop in and ask!
