YEAR 6 PUPILS...

During your time in Year 6, we will expect you to:

- Always put in 100% effort.
- Be kind and considerate to everyone.
- Do your homework - hand it in every Tuesday and it will be given out again on the same day.
- Read regularly to an adult at home.
- Look after your own things.
- Make sure you wear the correct uniform with the appropriate footwear.
- Bring your PE Kit in on Thursdays.

I will be learning...

ENGLISH

Children will be writing poems, biographies and Greek Myths.

These will be linked to our topics of Ancient Greece and our Black History Month focus: Walter Tull.

MATHS

Children will be focusing on the written methods for the four calculations and using these skills in problem solving.

HUMANITIES

This term children will be researching the Ancient Greeks in Autumn 1 and after the half term: the Early Islamic Dynasty. During Black History Month, we will be looking at the life and determination of Walter Tull.

SCIENCE

First, Year 6 will be looking at the classification of living things. Later they will be learning about animals, including humans.

YEAR 6 TRIPS To support our History and Science topics, we will be going on trips to the Soanes Centre to go pond-dipping; to the British Museum to see Islamic Art and to the Cell Centre to learn about the human body

COMPUTING Children this year will be Enquirers! We are going to be using the internet to learn about Ancient Greek artists and inspirational scientists.

MUSIC Children will be composing and performing their own pieces of music.

P.E. Our PE day will be on Thursday. Children will be covering football and hockey.

Art & D.T. This term children will be designing their own Ancient Greek pottery and meals.

HOMEWORK Children will be given a Maths and English homework book. They will be asked to complete particular sections each week. It is very important that children only complete the task set and not any extra. Homework will be set every Tuesday and will be expected in on the following Tuesday.

Dear Parents & Carers...

We want to make the transition between Year 5 and 6 as smooth as possible for your child. You can support this by:

- Ensuring that they have the correct uniform and that all their clothing is labelled with their name. 
- Encouraging your child's growing independence - letting them sort out for themselves the items they will need for school such as lunchboxes, coats and shoes etc.
- Listening to them read, or asking them about the books they are reading and encouraging them to read every day. 
- Practising maths skills in a friendly and informal way - number games, mental arithmetic and times table facts.
- Encouraging and supporting them to do their homework by themselves. Remember it's their homework not yours.
- If you have any questions or if you or your child have any worries — no matter how small — please come and let us know. 

We are always happy to listen, so please just pop in and ask!
