YEAR 6 PUPILS...

During your time in Year 6, we will expect
you to:

- Always put in 100% effort
- Be kind and considerate to everyone
- Do your homework - hand it in every Tuesday and it will be given out again on Wednesdays
- Read regularly to an adult at home
- Look after your own things
- Make sure you wear the correct uniform with the appropriate footwear
- Bring your PE Kit in on Fridays

I will be learning...

LITERACY

Year 6 will be diving into the world of fairy tales, where we will become detectives searching for clues to solve mysterious crimes.

MATHS

After revising the four operations, we will be using them to solve multi-step word problems before identifying different features of shapes.

SCIENCE

We will be looking at the habitats of different plant and animals to see how they have adapted to live in their environment. We also have an exciting trip to The Soanes centre planned, where we will be working on our skills at using classification keys and useful microbes. Look out for Science Week in Spring 1.

TRIPS

We will be visiting The Soanes Centre to classify pond life. Keep your library cards at the ready because we will be visiting The Idea Store.

I.C.T. After finishing off our Kodu games, we will be learning how to create websites with Google Sites (start practising now) so we can publish a science revision site.

MUSIC Children will continue to learn the guitar and take part in singing assemblies

ART & D.T. Art will be linked to our Science, especially during Science week where we will be designing and testing.

P.E. Our PE day will be on Fridays. Children will be taught lessons on fencing and netball.

R.E. This term children will be exploring different religious stories and discussing the morals behind them.

HOMEWORK Children will be continuing to complete numeracy and literacy homework which will be due in each week. It is very important that children only complete the task set and not any extra. Homework will be set every Wednesday and will be expected in on the following Tuesday.

Dear Parents & Carers...

Please continue to do the following, so that the build up to SATS is as smooth as possible for your child.

- Ensuring that they have the correct uniform and that all their clothing is labelled with their name. 
- Encouraging your child's growing independence - letting them sort out for themselves the items they will need for school such as lunchboxes, coats and shoes etc.
- Listening to them read, or asking them about the books they are reading and encouraging them to read every day. 
- Practising maths skills in a friendly and informal way - number games, mental arithmetic and times table facts.
- Encouraging and supporting them to do their homework by themselves. Remember it's their homework not yours.
- If you have any questions or if you or your child have any worries — no matter how small — please come and let us know. 

We are always happy to listen, so please just pop in and ask!

What you will need in Year 6...

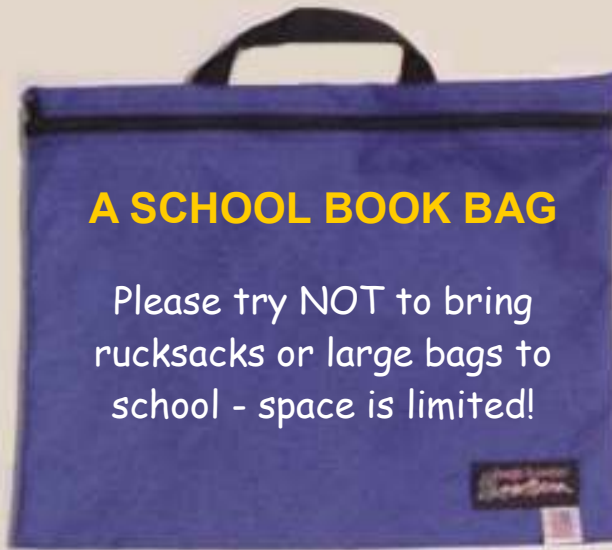

SCHOOL SHOES

Plimsolls or lace-ups. Trainers can be worn, as long as they are completely black.

P.E. KIT

Shorts, T-shirt, plimsolls or trainers in a small bag - drawstring if possible.

A SCHOOL BOOK BAG

Please try NOT to bring rucksacks or large bags to school - space is limited!

MARY the
COOK

MRS KEMP

Please **remember** to label everything with your name - especially sweatshirts, PE kits and coats!
