CYRIL JACKSON'S KICK START READING INITIATIVE

Friday 19 March 2021

Dear Parents and Carers,

As a school, we believe reading is a vital life skill. We understand that during the period of remote learning, many pupils did not have books to read at home. We would like to get all pupils back into the habit of reading books regularly and encourage them to enjoy reading for pleasure.

Therefore, we are proud to announce the **Cyril Jackson Kick Start Reading Initiative!** These books have been gifted to the school, as part of The Children's Book Project.

To start the project, every child at Cyril Jackson will receive **one FREE book to take home and keep.**

Pupils are also being given the opportunity to get a **second free book** as well!

In order to get their second free book, pupils will need to read this book over the Easter holidays and then write a review about it. Pupils will be provided with a book review template to help them to complete their project, and more information will be posted on Google Classrooms along with a video explaining the task.

Once they return their book review after the Easter holidays, they will then receive the **second book for FREE** which they can also **take home and keep.**

For younger children, who are unable to read, please ensure that a parent/carer or family member, reads with them and helps them to complete their book review.

Please encourage your child to read the book and complete the book review to a high standard. We would love to see you becoming more involved in your child's reading. I hope you enjoy the reading and book review experience with your child.

Kind regards,

Aysha Islam
