

WELCOME BACK AEN 2

Your class teachers
for the Spring Term are:

Mr. Wiltshire with

Mr Griemsmann, Mr Khan, Ms. Khanoum,
Miss Teresa and Mr. Thompson to support.

AEN 2 PUPILS...

During your time in AEN 2, we will expect you to:

- Always try your best.
- Be kind and considerate to everyone.
- Do your homework - hand it in every Wednesday. New homework will be handed out on a Friday.
- Read regularly to an adult at home and complete reading journal activities.
- Look after your own things.
- Make sure you wear the correct uniform with the appropriate footwear.
- Bring your swimming kit or P.E. kit every Thursday.

I will be learning...

LITERACY

In Spring 1, we will be reading 'The Lion The Witch And The Wardrobe' together. Some of us will be learning literacy in a Read Write Inc Group with Mr Griemsmann and others in a Fresh Start Group with Mr. Wiltshire or in Year 6 with Mr. Backett.

MATHS

We will be learning about number sequences, fractions and how to use the language of angles to describe directions.

We will also be learning to add and subtract with money, so any practical experience the children can gain of this would be very useful.

SCIENCE

We will be learning about the three states of matter: solids, liquids and gases! We will discuss their properties, how they change between each other and what they look like up close. We will be conducting investigations into how to prove that air is real and what temperatures ice will melt into water. Keep an eye out for our fun science week activities.

COMPUTING We are studying how to create automotive toys using ICT software. We will look at a variety of toys and how they are made, designing our own before evaluating and improving them.

ART & D.T. We will be using our D and T skills to help create some storybooks with pop up images and moving parts.

P.S.H.E We are using our P.S.H.E time this term to focus on our friends and family, and what makes us happy and confident.

P.E.

AEN 2 will be joining their mainstream classes for P.E. this term. They will be learning about fitness skills and team games.

PHILOSOPHY

We will be using some of our PSHE time to learn the skills of philosophical enquiry.

TRIPS & EVENTS We will be taking part in some fantastic activities for World Book Day and also for Science Week. We were very proud of how the children behaved for their trip to the British Museum.

Dear Parents & Carers...

We want to continue the fantastic work children have been doing this year. You can continue to support this by:

- Ensuring that they have the correct uniform and that all their clothing is labelled with their name. 
- Encouraging your child's growing independence - letting them sort out for themselves the items they will need for school such as lunchboxes, coats and shoes etc.
- Listening to them read, or asking them about the books they are reading and encouraging them to read every day. 
- Practising maths skills in a friendly and informal way - number games, mental arithmetic and times table facts.
- Encouraging and supporting them to do their homework by themselves. Remember it's their homework not yours.
- If you have any questions or if you or your child have any worries - no matter how small - please come and let us know. 

We are always happy to listen, so please just pop in and ask!

What you will need in AEN 2...

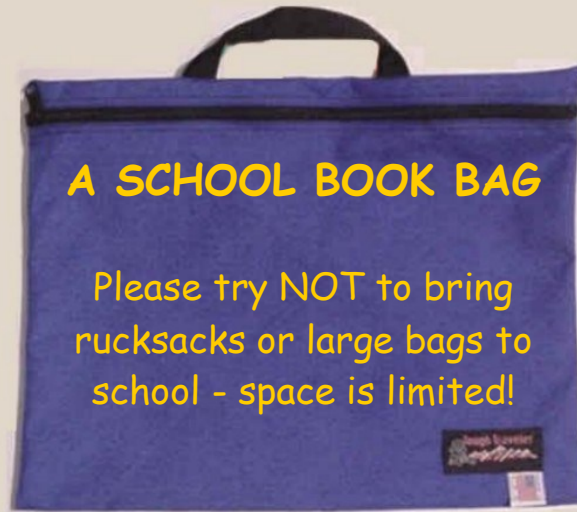

SCHOOL SHOES

Plimsolls or lace-ups. Trainers can be worn, as long as they are completely black.

P.E. KIT

Swimming trunks/ costume; swimming hat; goggles; towel; plastic bag for wet clothes; and a sensible bag for all your child's swimming equipment.

MARY the
COOK

MRS KEMP

Please **remember** to label everything with your name - especially sweatshirts, PE kits and coats!
