AEN1 PUPILS

During your time in AEN1, we expect you to:

- ◆ Always put in 100% effort.
- ◆ Aim to have 100% attendance (research shows that there is a direct link between Level 1 and 2 SATs results and extremely high attendance!).
- ◆ Be kind and considerate to everyone.
- ◆ Do your homework to a high standard - homework will be given out every **FRIDAY** and must be returned the following **THURSDAY**.
- ◆ Read regularly to an adult at home.
- ◆ Practise your spellings.
- ◆ Look after your own things.
- ◆ Make sure you wear the correct uniform with the appropriate footwear.
- ◆ Bring your PE kit in on **WEDNESDAY/FRIDAYS**.

We will be learning...

LITERACY & RWInc

The children will be continuing to follow the Read Write Inc programme. There will be a strong focus on reading and writing non-fiction texts.

During story times children will be reading books about pirates. We would like the children to develop their retelling skills by using sequencing language.

NUMERACY

During our math's lessons, we will be focusing on using the four operations to solve word problems as well as weekly investigations. We will be measuring weight, length and capacity through practical activities. We will be focusing on number, bonds, one more and one less and writing numbers beyond 30.

TOPIC

Our Geography focus this term is Coastal Alaska, we will be learning to use geographical skills like map reading, identifying features of the landscape and weather and comparing this to the local area.

In Science we will focus on habitats. The children will identify different habitats and research into different micro habitats and write a report about this.

Computing We will be learning how to program robots and use simple algorithms to solve problems.

Music Children will continue to participate in weekly singing assemblies and develop their drumming skills with an experienced musician. We hope to perform to the school.

RE This term we will be learning about Judaism and hope to visit a synagogue. We will also be learning about key symbols of faith in Christianity and Islam.

PSHE Children will be exploring the topic of 'Me and looking after myself'. They will be exploring their daily routines and how to stay healthy.

ART & D.T. We will be creating habitat pictures to support us with understanding in Geography. They will produce a final piece of work for display.

P.E. This term children will continue to participate in P.E. lessons with their year group peers.

CLUBS There will be a number of clubs running this term including arts and crafts, Numicon (maths) and MADD club (Music, Art, Dance and Drama). Clubs run from 3:20 - 4:20pm. **If your child is chosen for a club, please ensure they attend every week.**

Trips planned...

AEN1 hope to take the children on a marble treat! We will also be taking the children to Greenwich Maritime Museum to learn more about pirates to support their writing in literacy.

We will also take a trip to the West London Synagogue to learn more about Judaism.

If you have any questions, we are always happy to listen, so please just pop in and book a time to chat!
