

WELCOME BACK YEAR 4!

Your teachers this term will remain as:

Mrs Bernal
Miss Holman
Miss Parvin
& Miss DeSantis
with Mrs Stannard as support

I will be learning...

YEAR 4 PUPILS

During your time in Year 4, we will expect you to:

- ◆ Always put in 100% effort.
- ◆ Aim to have 100% attendance (research shows that there is a direct link between fantastic end of year results and extremely high attendance).
- ◆ Be kind and considerate to everyone.
- ◆ Do your homework to a high standard - homework to be given in every Tuesday.
- ◆ Read regularly to an adult at home.
- ◆ Practise your spellings.
- ◆ Practice your x tables and division facts up to the 12 x table
- ◆ Look after your own things.
- ◆ Make sure you wear the correct uniform with the appropriate footwear.
- ◆ Bring your PE kit in on Tuesday.

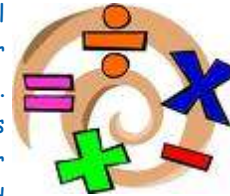

LITERACY

Children will be focusing on persuasion and narrative. This will be linked with our geography topic about St Lucia. We will become skilled in the art of persuasion, writing and performing adverts. The second term will see us exploring playscripts through film, debating and poetry.

MATHS

During our math's lessons, we will continue to use the four operations to solve word problems. One of our main focus areas this term will be to develop our understanding of fractions and decimals. By the end of Year 4 all children will know all of their x tables up to x12 so please practice with them at home.

HUMANITIES

We will be investigating St Lucia. We will be working on our core skills such as map reading and using compass points. We will be exploring the human and natural features of the country.

SCIENCE In the first half of the summer term we will be learning about electricity and in the second half we will be looking at habitats.

COMPUTING We will be exploring different forms of electronic communication including Skype, messenger and emailing. We will use these skills to create a guide to the best way to communicate.

PSHE Me and looking after myself. Relationships with others and growing up (Christopher Winter project). We will also be introducing Philosophy for Children.

ART & D.T. In Art we will be creating interpretative maps inspired by St Lucia and in our DT we will be focussing on designing our own packaging and persuading each other that ours is the best.

P.E. PE will be on a Tuesday this term. We will be developing our athletic skills and our hockey skills.

Music We will be continuing our guitar lessons this term. We are learning to read music and compose our own riffs (short melodies).

Trips planned...

This term we will be visiting the **Soanes Centre** as part of our Science topic, where we will be investigating different habitats.

Booster classes:

Maths Facts with Numicon, Writing Club and Madd club will continue to run on the same night as Spring term. Targeted children will be invited to attend.

It is crucial that these children attend regularly to achieve their potential and make progress.

Assessment week:

Year 4 will be assessed during the Summer Term. This will take place w/c 15th June. The purpose of this is to identify their next learning steps and to prepare pupils for Year 5.

We are looking forward to enjoying this final term in Year 4!

Things you will need in Year 4...

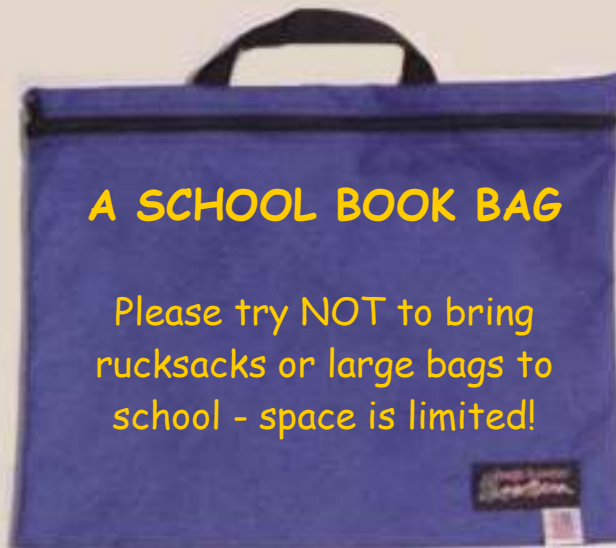

SCHOOL SHOES

Plimsolls or lace-ups. Trainers can be worn, as long as they are completely black.

P.E. KIT

Shorts, T-shirt, plimsolls or trainers in a small bag - drawstring if possible.

MARY the
COOK

MRS KEMP

Please **remember** to label everything with your name - especially sweatshirts, PE kits and coats!
