YEAR 6 PUPILS...

During SATS week we will expect you to:

- Keep up the hard work and effort that you have put in all year.
- Believe in yourself! You can do this!
- Be punctual arrive at school on time each day (fancy coming to Year 6 Breakfast Club?)
- At the end of each school day take time to relax: take a walk in the park, play a game of football, eat a favourite meal or simply read something you enjoy! CHILL OUT!
- Get an early night to refresh and keep those brain cells charged.
- Return your slip for the celebration trip on Friday!

Dear Parents & Carers...

Thank you for your continued support during SATs week. Please would you do the following, so that the build up to SATS is as smooth as possible for your child.

- *Ensure that your child has an early bedtime and a good nights sleep.*
- *Encourage your child to attend the Year 6 Breakfast Club : this will give them the chance to have a healthy breakfast and check on any last revision tips with teachers.*
- *Talk to them about the test timetable for the week. Which test are they looking forward to the most? Do they have any worries that we can help with?*
- *Practising maths skills in a friendly and informal way - number games, mental arithmetic and times table facts.*
- *Encouraging children to have down time to relax at home this week. Could you plan in a trip to the park , a game of football or cooking a favourite meal together? Whatever they enjoy!*
- *If you have any questions or if you or your child have any worries — no matter how small — please come and let us know.*
