Dear Parents & Carers...

We want children to make as much progress as possible in the Spring Term. You can support this by:

- *Ensuring that they have the correct uniform and that all their clothing is labelled with their name.*

- *Encouraging your child's growing independence by letting them come into the classroom and hang up their belongings by themselves.*

- *Listening to them read, and asking them questions about the text.*

- *Practising numeracy skills such as number bonds, telling the time, money and addition and subtraction methods.*

- *Working with your child to complete their maths homework each week.*

- *If you have any questions or if you or your child have any worries, please come and let us know - no matter how small.*

We are always happy to listen, so please just pop in and ask!
