

# Starting Nursery in Tower Hamlets 2023

For children born between 1 September 2019 and 31 August 2020  
Closing date for applications: 16 February 2023 • Apply online at [www.towerhamlets.gov.uk/schooladmissions](http://www.towerhamlets.gov.uk/schooladmissions)

# Applying for a nursery place – summary

From September 2022, parents wishing to make an in-year transfer application, or parents who wish to make an application who have not yet done so, must make an application direct to the local authority using the 'In-Year Nursery Admission 2022/23' application form which will be available to download from the Tower Hamlets website or from The Admissions Service at [school.admissions@towerhamlets.gov.uk](mailto:school.admissions@towerhamlets.gov.uk).

If your child turns three during the 2022/23 school year, you may apply for a nursery place for the term following their third birthday. Please contact the Admissions Service on **020 7364 5006** for more information.

# Foreword by the Corporate Director

## Dear parents and carers,

Starting nursery is a big moment for both parents and children. We know that you want your child to have the best start in life and choosing the right place for your child can often be a difficult decision.

This booklet is designed to help you make the right choice so that your child is happy and successful at nursery.

Inside you will find information about nurseries in Tower Hamlets, including addresses, phone numbers and maps showing exactly where they are. We have also tried to answer the most frequently asked questions.

It is a good idea to visit some nurseries and take the time to see the range of opportunities that are available before making up your mind. Nursery staff are always pleased to meet new parents and carers. As long as you make an appointment first, they will be happy to show you around. All of our local nurseries produce brochures about themselves, so you may want to contact those you are most interested in to ask for a copy.

For more information and advice, please call the Admissions Service on 020 7364 5006. We have a number of

multilingual as well as Bengali speaking admissions officers.

You should make your application online and, if you don't have your own computer, you can access the internet at any of the borough's Idea Stores. The website address is **www.towerhamlets.gov.uk/schooladmissions**. Please see page 34 for more information.

More than 97% of Tower Hamlets maintained nursery and primary schools have now been judged 'Good' or 'Outstanding' by Ofsted and the borough has some of the fastest improving schools in the country.

The latest nursery and primary school results show that very high standards are common in schools across the borough. This has meant a rise in the number of parents wanting to send their children to our schools and in turn there is a greater demand for school places in the borough.

Some nurseries in Tower Hamlets receive more applications than there are places available, so some children may not be offered a place at the preferred nursery. Please be aware of this when

deciding which nurseries to apply to in order of preference.

We're proud that Tower Hamlets nurseries are inclusive and that children with Special Educational Needs and Disabilities are educated well and thriving in our mainstream settings.

I am sure you have very high aspirations for your child and expect high levels of achievement as well as good behaviour and regular attendance.

The local authority and our nurseries look to work in partnership with parents and carers. Together we can ensure your child and all children in Tower Hamlets progress well and make the best of their time at nursery. You can be sure our teachers and other staff strive for nothing short of excellence and, working with you, we can achieve this for your child.

We look forward to your child attending one of our nurseries.

Yours sincerely,

**James Thomas**

Corporate Director, Children and Culture  
London Borough of Tower Hamlets

# 1 Introduction

**This booklet is for parents with a child born between 1 September 2019 and 31 August 2020 who wish to apply for a place in a nursery school or a nursery class attached to a primary school in Tower Hamlets for September 2023.**

Children will usually start nursery in the September following their third birthday. It is possible for eligible children to access a funded nursery place from the beginning of the term after their third birthday. Both part-time (15 hours per week) and full-time (30 hours per week) places are available at Tower Hamlets nurseries.

## Who is nursery education for?

Nursery Education is free for all three to four-year-olds. Your child is entitled to 15 hours free early years education per week and this is available from the term after their third birthday. Eligible parents may also be entitled to an additional 15 hours per week. Some parents of two-year-olds are also eligible for 15 hours free nursery but must meet certain government (income-based) criteria.

## The benefits of choosing nursery education

Attending a nursery school or a nursery class gives children a valuable introduction to school. They will have the opportunity to develop their skills and

to be part of a large group of children of their own age. We work in partnership with parents to give your child the best possible start to their education and prepare them for reception class.

Our nurseries are run by experienced, early years trained teachers and supported by nursery nurses and early years trained teaching assistants.

Most nursery education in Tower Hamlets nursery schools and nursery classes has been rated 'Good' or 'Outstanding' by Ofsted.

The nursery day is arranged to allow each child to develop at their own pace. Nursery classes are usually organised in the same way as a school, with three terms. A typical day in nursery consists of two sessions: a morning session from approximately 9am to 12pm and an

afternoon session from approximately 12:30pm to 3:30pm. Some settings offer wrap-around-care which means children can attend breakfast club (e.g. from 8am) and after school care (e.g. until 5:30pm).

For more information on how a typical day in nursery is arranged you can contact your local nursery. You can also learn more about the early years foundation stage from [www.towerhamlets.gov.uk/earlyyears](http://www.towerhamlets.gov.uk/earlyyears) or the Department for Education (DfE) website ([www.gov.uk/dfe](http://www.gov.uk/dfe)).

Nurseries welcome visits from parents as we want you to feel confident that you pick the right setting for your child. It is well worth visiting a few nursery settings before making your application.

# Introduction

## Nursery provision in Tower Hamlets

### Nursery schools and schools with nursery classes

There are four nursery schools in Tower Hamlets:

- Alice Model Nursery School
- Children's House Nursery School
- Columbia Market Nursery School
- Rachel Keeling Nursery School

More information about these nursery schools can be found on page 22.

### Primary Schools with nursery classes

There are 60 maintained primary schools which have an attached nursery class in Tower Hamlets.

A full list of these nursery schools and classes, along with more information about them, can be found on page 22.

## Other pre-school provisions

Private, voluntary and independent nurseries, preschools and play groups also offer pre-school provision. A list of these providers is available from the Family Information Service on **020 7364 6495**.

## Nursery class sessions

Nursery classes are part-time for 15 hours or full-time for 30 hours each week during school term.

Usually children attend either a morning or afternoon session of three hours, or a full day. Where a school offers both morning and afternoon sessions, the school will allocate the sessions. Sessions may be allocated in consultation with parents. No guarantee is made of the session time when a place is offered. Children from multiple births will be offered the same session.

## Part-time and full-time funding

All 3 to 4-year-olds in England can get 570 free hours per year. It's usually taken as 15 hours a week for 38 weeks of the year, but you can choose to take fewer hours over more weeks. Your child becomes eligible for this the term after their third birthday, until the child reaches compulsory school age i.e. the term after their fifth birthday.

An additional free 15 hours will only be available for families where both parents are working (or the sole parent is working).

Typically, each parent must earn the equivalent of 16 hours a week at the national minimum or living wage and less than £100,000 a year to be eligible.

For more information on eligibility and how to obtain this go to:

[www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds](http://www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds).

**Only part-time places will be offered as part of this coordinated scheme. Once your child has been offered a part-time place, you may request a full-time place from your nursery. Full-time places will be subject to availability and will depend on the eligibility criteria outlined in the previous paragraph.**

Parents not eligible for the additional free 15 hours may still access a full-time place by paying for additional hours. This fee will be set by each nursery. Please contact your local nursery for further information.

## Early learning for two-year-olds

Some children may be eligible for 15 hours of funded childcare from the term after their second birthday. Unlike the nursery education for three and four-year-olds which is open to all, the early learning for two-year-olds is only available to children and families that meet certain criteria.

You can check whether your child is eligible by going to:

[www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk)

Alternatively, you can go to your nearest Children and Family Centre, and they will be able to do the check. For more information on Children and Family Centres please see page 26.

You can also call the Family Information Service on **020 7364 6495**. The Family Information Service will also be able to discuss with you what childcare is available and what best suits you and your child.

# 2 Applying for a nursery place

## Start dates

Children will usually start nursery school or a nursery class in the September following their third birthday. However, it is possible for eligible children to access a funded place from the beginning of the term after their third birthday.

## How to apply

If your child was born between 1 September 2019 and 31 August 2020 and you would like a nursery place for September 2023, you must submit an online application by 16 February 2023. You should apply online at [www.eadmissions.org.uk](http://www.eadmissions.org.uk).

Please see page 34 for instructions on how to make an online application.

When you have completed and submitted your application you will receive an instant email confirmation. You can make changes to your application up until the 16 February 2023 closing date.

If you are not able to make an online application, you should contact the Admissions Service on 020 7364 5006.

**If you wish to apply to a private nursery or a nursery in another local borough, you must contact the nursery directly.**

To find out how to apply for a nursery place for other than a September start i.e. January or April, please refer to page 12. Alternatively, please email the Admissions Service at [school.admissions@towerhamlets.gov.uk](mailto:school.admissions@towerhamlets.gov.uk).

## Completing an application

Parents must complete and submit an online application via the Eadmissions website: [www.eadmissions.org.uk](http://www.eadmissions.org.uk). You can apply for up to three Tower Hamlets nurseries.

If you would like a nursery place at a voluntary aided school, free school or academy, you must – as well as completing an online application – complete the school's Supplementary Information Form (SIF) if they have one.

Applications must be made by the child's parent or the person with parental responsibility. If you are not the parent of

the child on the application form, you must include evidence of parental responsibility i.e. a Court Order, a solicitor's letter, or a letter from the parent named on the child's birth certificate giving you permission to care for their child. If you are not a blood relative you must register with the local authority as a private foster carer. The Admissions Service team will refer applications to the local authority's social care team if it has concerns about whom a child is living with.

When submitting your online application, you are confirming the information you have given is accurate and complete, and that you understand if it is not, the local authority has the right to withhold or withdraw the offer of a place.

**For guidance on completing an online application, please see Appendix B.**

If you are unable to make an online application, please contact the Admissions Service.

**You can contact the Admissions Service on 020 7364 5006 or email [school.admissions@towerhamlets.gov.uk](mailto:school.admissions@towerhamlets.gov.uk)**

### Closing date

The closing date for applications is **Tuesday 16 February 2023**.

All applications made during the application period are treated in the same way in accordance with the procedure described in the following sections. Applications are not processed on a first come first served basis.

It is very important not to apply late, because applications made after the closing date will be considered only after places have been allocated to children whose parents applied on time.

Nursery class places are in considerable demand and many schools will not have vacancies once all applications that have been received on time have been processed.

**You must  
submit an online  
application by  
16 February 2023**

# Applying for a nursery place

## How decisions are made

The Admissions Service team will process applications and coordinate the decisions for all those who apply.

Your application for each school is processed individually and, in each case, a decision is taken to determine whether or not your child can be offered a place.

If we find that we can place your child at more than one of your school preferences only one school will be allocated. This will be for the highest preference school at which an offer can be made.

The decisions on applications for Tower Hamlets community nurseries are made by the local authority. If a Tower Hamlets community nursery receives more applications than places available, the decision on whether or not a place can be offered will be made in accordance with the local authority's admission criteria set out in priority order as follows:

1. Children looked after by the local authority including adopted children who were previously looked after and children who leave care under a special guardianship or residence order. This also includes children who were previously in care abroad;
2. Children for whom it is deemed there is strong educational, medical or social reason to attend the school applied to (**see note 1**);
3. Children living within the catchment area who have a sibling attending the school (including the school of separate infant and junior schools) and who will continue to do so on the date of admission (**see note 2**);
4. Children whose parent is a member of staff who has been employed at the school concerned for two or more years at the time of application and/or children of a member of staff who has been recruited to fill a vacancy for which there is a demonstrable skill shortage;
5. Children who live within the catchment area of the school and for whom the school applied for is their nearest community school within the catchment area;
6. Other children from within the catchment area of the school;
7. Children living outside of the catchment area with a sibling at the school;
8. Children living outside of the catchment area of the school applied to.

### Tie-break

In the event of oversubscription within categories 3, 4, 5, 6, 7 and 8 above, priority will be given to children who live closest to the school by the shortest walking distance. A digitised Ordnance Survey map is used to measure the distance from the home address to the school's designated official entrance. In the event of two distances being the same, a decision will be made by random allocation.

### Notes

**Note 1:** This can include the parents', carers' or other family members' medical conditions and the family's social needs. Parents must complete the relevant section on the application form and attach medical and/or social reports from a suitable professional (e.g. a doctor or social worker) to support the application.

**Note 2:** Sibling means a whole, half or step-brother or step-sister resident at the same address.

### Admission arrangements for voluntary aided schools, academies and free schools

For voluntary aided schools, free schools and academies, it is the school's governors who will make decisions, based on the information you provided in your application and the school's Supplementary Information Form (SIF). Admission policies and oversubscription criteria for these schools can be found on their websites or at [www.towerhamlets.gov.uk/schooladmissions](http://www.towerhamlets.gov.uk/schooladmissions).

The Paradigm Academies (Culloden, Old Ford and Solebay), St Paul's Way Foundation Trust School, The LETTA Trust Primary Schools (Bygrove Primary School and Stebon Primary School) and The Clara Grant Primary School (part of The Tower Trust) have delegated decisions on admissions to the local authority and, therefore, use the same oversubscription criteria as Tower Hamlets community schools.

### Notification of decisions

If your application was received on or before the closing date (16 February 2023), the Admissions Service will notify you of the outcome of your application by letter and email. The letter will be sent on **9 May 2023** and will name the nursery at which a place has been offered for your child. The email will be sent after 5pm on the same day. **This offer will be for a part-time place only.**

If you have not been offered a place at your chosen nurseries, you will be sent a list of nurseries that still have places remaining and given the opportunity to visit and apply to one of these nurseries. Your child will also be placed on the waiting list for your preferred nursery.

You must accept or decline the offer of a place by 23 May 2023 so that nursery places can then be re-allocated. If you do not reply by 23 May 2023, the offer may be withdrawn.

### Appeals

As nursery is non-statutory, parents do not have the right of appeal if they do not get their preferred nursery choice. However, parents may contact the local authority for more information on the reason as to why their child was not offered a place.

### Waiting lists

All children will automatically be added to the waiting lists of higher preference nurseries than the one offered, unless parents ask to remove their child from a waiting list.

Waiting lists for Tower Hamlets community nurseries will be kept and maintained by the Admissions Service in the order of priorities set out on page 10.

Waiting lists for Own Admission Authority nurseries i.e. voluntary aided schools, academies and free schools will be kept and maintained by the nursery itself.

## You must accept or decline the offer of a place by 23 May 2023

# Applying for a nursery place

## Post offer process

After 9 May 2023, unsuccessful applicants will automatically be added to the waiting list for their preferred nursery. At this stage consideration will be given to late applicants (i.e. those that applied after 16 February 2023) alongside those that were unsuccessful in the initial round of offers. From 5 June 2023, the Admissions Service will identify nursery places for any children that are unplaced and those that applied late.

From September 2023, parents wishing to make an in-year transfer application, or parents who wish to make an application who have not yet done so, must make an application direct to the local authority using the 'In-Year Nursery Admission 2023/24' application form which will be available to download from the Tower Hamlets website and available from the Admissions Service.

Once children are in nursery, transfers to other nurseries (in-year transfers) will only take place at the start of each term (January and April), unless there are exceptional circumstances for a transfer to be considered earlier.

If your child turns three during the 2023/24 school year, you may apply for a nursery place for the term following their third birthday.

## Children with additional needs

If your child has an Education, Health and Care Plan (EHCP) then you must contact the local authority's Special Educational Needs (SEN) team to access a nursery place. You can contact the SEN team on 020 7364 4880.

If your child has additional/special educational needs or a disability but does not have an EHCP, you should apply for a nursery place through the usual route. You may also contact your local Children and Family Centre for advice on getting additional support.

Information on Children and Family Centres in Tower Hamlets can be found on page 26.

## Nursery readiness

There are many ways in which the things you do at home supports your child's readiness for nursery – playing and chatting with your child, sharing stories, singing songs and nursery rhymes together, encouraging your child to explore and try things out, being interested in their play and getting involved in what they enjoy doing.

## Applying for a nursery place in 2021/22

If your child was born between 1 September 2018 and 31 August 2019 and does not attend nursery, you can apply for a nursery place for the 2022/23 school year by making an application direct to the local authority using the 'In-Year Nursery Admission 2022/23' application form which is available to download from the Tower Hamlets website.

The Admissions Service will normally let parents know whether or not a place can be offered within ten school days of receiving an application for a child who does not have a nursery place.

If your child turns three during the 2022/23 school year, you may apply for a nursery place for the term following their third birthday i.e. January 2023 or April 2023.

Please contact the Admissions Service for more information.

**You can contact the Admissions Service on 020 7364 5006 or email [school.admissions@towerhamlets.gov.uk](mailto:school.admissions@towerhamlets.gov.uk) for more information**

## Transferring from one nursery to another (in-year nursery transfer)

You may want your child to transfer from one Tower Hamlets nursery to another. This can be arranged by the Admissions Service, but you will first need to speak with the head teacher of your child's current nursery and complete the 'In-Year Nursery Admission 2022/23' application form which is available to download from the Tower Hamlets website and available from the Admissions Service.

Once children are in nursery, transfers to other nurseries (in-year transfers) will only take place at the start of each term (i.e. January and April), unless there are exceptional circumstances for a transfer to be considered earlier.

It is not always possible for a child to transfer to another school if that school is already full or if there are more applicants than places available at the time you make your application. Your child will, therefore, be placed on the school's waiting list in line with the school's admission criteria.

The local authority will consider transfer requests in line with the timetable below:

Transfer point	Closing date	Parents sent outcome
Spring Term (January 2023 Start)	4 November 2022	25 November 2022
Summer Term (April 2023 Start)	10 February 2023	10 March 2023

For more information on submitting an in-year nursery application, please visit [www.towerhamlets.gov.uk/schooladmissions](http://www.towerhamlets.gov.uk/schooladmissions).

## Admission to primary school

Whether or not your child is accepted for a nursery class place, you will need to apply separately for a place in the reception class of a primary school.

**There is no automatic right of transfer from the nursery class to the reception class in the same school, and attending a nursery class does not give any priority for admission to reception class at the same school.**

You can apply for a reception place at a different primary school to one where your child attends the nursery.

Children eligible for nursery in 2023/24 would normally start primary school in September 2024.

The application period for admission to reception class in 2024 will be from 1 September 2023 to 15 January 2024. A booklet with information about applying for a reception place will be available online at [www.towerhamlets.gov.uk/schooladmissions](http://www.towerhamlets.gov.uk/schooladmissions) from 1 September 2023.

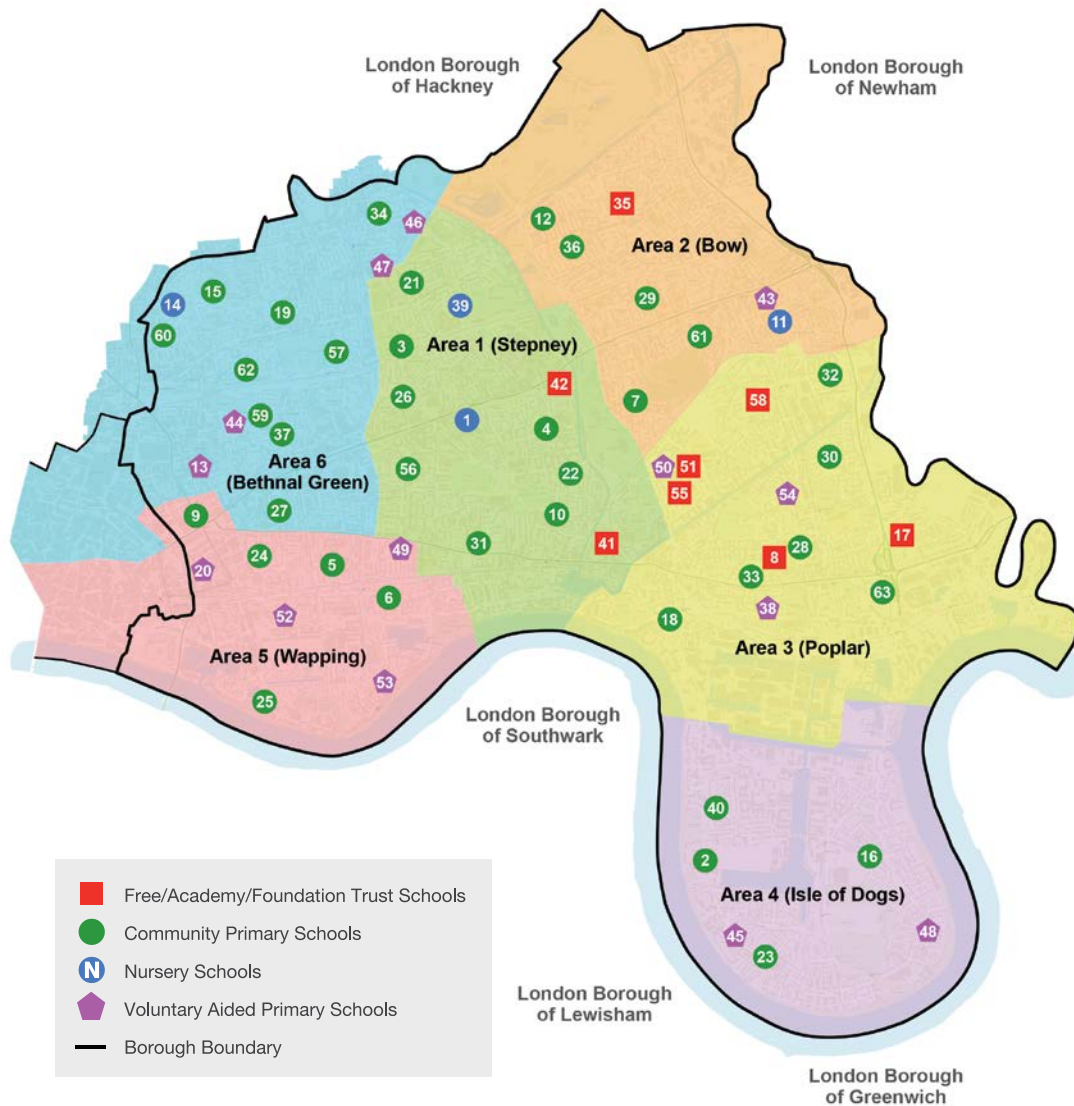

## Applying for a nursery place

### Data protection

The information you provide on your application will be held by the London Borough of Tower Hamlets in accordance with the General Data Protection Regulation (GDPR). Your information may be shared with relevant local authority departments, schools or other local education authorities for the purposes of admissions or fulfilling a statutory duty. We will pass the information to the school your child is offered a place at, where it will form part of the pupil database that the school keeps. Your information will be kept by the local authority for eight years after an offer of a place is made. You may withdraw your consent for the processing of your information, which will also mean the withdrawal of the nursery place that is offered, at any time by contacting the Admissions Service team within the local authority. You also have a right to complain, object to or access the information that is held and processed about you. Please see the local authority's website ([www.towerhamlets.gov.uk](http://www.towerhamlets.gov.uk)) for further details on contacting the Complaints and Information team.

# 4 Children and Family Centres

## **Tower Hamlets Early Help & Children and Families Service provides support to children, young people and their families at the earliest point when challenges first arise and to stop these from escalating.**

Early Help is primarily delivered through our 12 Children and Family Centres, a place where parents, carers or families with children from birth – 19 years of age (or up to 25 with Special Educational Needs and Disabilities) can go to and use play facilities, join groups and receive support.

Children and Family Centres aim to improve outcomes for all children, young people and their families by shaping:

- child development and school readiness
- parenting aspirations and parenting skills
- child and family health and life chances.

Children and Family Centres work with parents, families, settings and the community from as early as possible to make sure children are ready for school. The centres offer a range of support to parents including dedicated school readiness workshops which include toilet training and managing behaviour.

There are 12 Children’s Centres across the borough each offering both universal and targeted services for families:

All Children and Family Centre services are free, and they include:

- ✓ universal sessions (Stay and Play, starting solids, school readiness, baby massage and breastfeeding support)
- ✓ drop-in fun play activities, such as ball pools, sandpits, building blocks, story book and baby play areas, and sensory play
- ✓ targeted sessions (Little Talkers, Invitation to Play, healthy eating, breastfeeding support, etc)
- ✓ support with Early Learning applications
- ✓ parenting programmes
- ✓ support into employment: Tower Hamlets WorkPath; adult learning courses
- ✓ specialist programmes (e.g. Positive Change)
- ✓ Healthy Start vitamins and vouchers
- ✓ signposting and referral on to appropriate services

For more information on Children and Family Centres please visit [www.towerhamlets.gov.uk/childrenandfamilycentres](http://www.towerhamlets.gov.uk/childrenandfamilycentres). Alternatively, you can contact the Family Information Service on 020 7364 6495 or email [fis@towerhamlets.gov.uk](mailto:fis@towerhamlets.gov.uk).

## Tower Hamlets Children and Family Centres Locality

# 5 Frequently asked questions about nursery admission

## Q When can my child start nursery?

Children can start nursery from the term following their third birthday.

If your child was born between 1 September 2019 and 31 August 2020 and you would like a nursery place for September 2023, you must submit an online application by 16 February 2023.

For guidance on how to make an application, please see page 34.

## Q What if I want a nursery place before September 2023?

If you would like a nursery place for your child for the term following their third birthday but before September 2023 i.e. in January or April 2023, please refer to page 12 for advice on how to make an in-year nursery application, or contact the Admissions Service.

Contact the Admissions Service on **020 7364 5006** or email **school.admissions@towerhamlets.gov.uk**

## Q What if my child turns three during the 2022/23 school year?

If your child turns three during the 2022/23 school year, you may apply for a nursery place for the term following their third birthday by making an in-year application. For information on how to do that, please refer to page 12. Alternatively, you can contact the Admissions Service.

## Q How can I make sure my child settles into nursery quickly?

Important independence skills such as using the toilet independently, putting on their coat, eating using cutlery, washing their hands, sharing with others, and initiating conversation with peers and adults will help a child to settle into nursery quickly. It would also be helpful if children were used to spending time away from their parents.

## Q What if I am not a Tower Hamlets resident but would like a place at a Tower Hamlets nursery?

If you are not a resident of Tower Hamlets but wish to apply for a Tower Hamlets nursery, you can also submit an online application via the E-admissions website: [www.eadmissions.org.uk](http://www.eadmissions.org.uk).

## You must submit an online application by 16 February 2023

## Frequently asked questions about nursery admission

### **Q** Is there financial help available for nursery provision?

All children aged three and four are entitled to 15 hours a week of free nursery education during school term times (38 weeks a year) from the term following their third birthday. This entitlement can also be taken in a private or voluntary provision.

Only where both parents are working a minimum of 16 hours (or a single parent working a minimum of 16 hours in a single parent family) will a child be eligible for a free full-time place (30 hours a week).

If you are not eligible for a full-time place and you would like for your child to attend for longer hours you will be asked to pay for the additional services.

Some two-year-olds may also be eligible for 15 hours funding for 38 weeks, but must meet certain government (income-based) criteria.

You can check your eligibility by visiting [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) or by calling the Family Information Service on **020 7364 6495**.

Further information can be found at [www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds](http://www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds).

For information on private or voluntary nurseries or playgroups, you can contact them directly or you can contact the Family Information Service on **020 7364 6495**.

### **Q** Will my child be offered a full-time place?

**The local authority will only offer part-time places i.e. for 15 hours per week.**

Once your child has been offered a part-time place, you may request a full-time place from your nursery.

An additional free 15 hours i.e. a full time place will only be available for families where both parents are working (or the sole parent is working).

Typically, each parent must earn the equivalent of 16 hours a week at the national minimum or living wage and less than £100,000 a year to be eligible.

For more information on eligibility go to: [www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds](http://www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds).

Parents not eligible for the additional free 15 hours may still access a full time place by paying a top-up fee. This fee will be in the region of £7.50 per additional hour. Please contact your local nursery for further information.

### **Q** Can my child attend more than one provision?

It is not recommended for a child to be attending more than one type of under-fives activity (e.g. playgroup in the morning and nursery class in the afternoon). The adjustment is too demanding and confusing for most children of this age and much of the benefit from either activity could be lost.

### **Q** Can I transfer my child between nurseries?

Once children are admitted to nursery education, it is in their interests to remain at that school until they have to move on and start reception class. Children take at least a term to settle and can find it very upsetting to move at this stage.

Transfers will only take place at the start of each term and should only be considered if a family has moved from the area or on exceptional grounds. Please refer to page 13 for more information.

Contact the Admissions Service on **020 7364 5006** or email [school.admissions@towerhamlets.gov.uk](mailto:school.admissions@towerhamlets.gov.uk)

## Frequently asked questions about nursery admission

### Q When can my child move from a nursery to primary school?

Children usually start the reception year of primary school in the September following their fourth birthday. If your child was born between 1 September 2019 and 31 August 2020 they will start reception in September 2024. Children who attend a school's nursery class do not automatically transfer to reception, as decisions on primary school admissions are taken separately. You must apply for a reception place by 15 January 2024.

### Q If my child is already in the school's nursery class, is there an automatic right to a place in the reception class?

No. When parents apply for their children to start reception, no priority is given to children that attend the nursery of the school. The decision on whether or not a place can be offered will be made in accordance with the school's admission policy. The policy used for community schools in Tower Hamlets is explained on page 10.

### Q If my child is not offered a nursery place can I appeal the decision?

Parents do not have the right of appeal against the decision to refuse their child a nursery place. However, parents may contact the local authority for more information on the reason why their child was not offered a place.

Contact the Admissions Service on **020 7364 5006** or email **school.admissions@towerhamlets.gov.uk**

### Q Can I get help with free early education or childcare for my two-year-old?

Your two-year-old child may be entitled to 15 hours education or childcare a week if you are in receipt of low income welfare benefit or your child meets other criteria. For a list of eligibility criteria visit [www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds](http://www.gov.uk/help-with-childcare-costs/free-childcare-and-education-for-2-to-4-year-olds).

Your child would be eligible from the beginning of the term after their second birthday if you qualify for a funded place. For more information, please call the Family Information Service on **020 7364 6495**.

# 6 Appendix A – Understanding school catchment areas and the oversubscription criteria

## Understanding school catchment areas and the oversubscription criteria

Tower Hamlets local authority seeks to operate an admissions system that provides equal and fair opportunities to all applicants. This includes having due regard to children living in areas where there are limited options in applying for a local school place.

## School catchment area

A school catchment area is a geographically defined boundary used to help provide children with fairer access to a local school and ensure all schools in an area have an equal share of children.

A child living in the school's catchment area will, therefore, be given priority over a child living outside of the school's catchment area. This does not affect admission categories where children with a statement of Special Educational Needs or an Education, Health and Care Plan (EHCP) are considered before any other admission. Catchment areas also do not affect looked-after children who

are given first priority in the admission policy. Other exceptional cases, such as medical and social reasons, will also be given priority before children living in the catchment area.

There are six school catchment areas for admission to Tower Hamlets community schools. The Paradigm Academies (Culloden, Old Ford and Solebay), St Paul's Way Trust Primary School, Bygrove Primary School, Stebon Primary School and The Clara Grant Primary School also use these catchment areas in their admissions criteria. Each catchment area has a number of schools that you can choose from. Maps of each catchment area and the schools within them can be found on pages 15-21.

To find out which catchment area you live in, view the maps on pages 15-21 or visit [www.towerhamlets.gov.uk/equalchance](http://www.towerhamlets.gov.uk/equalchance)

## Nearest school within the catchment area

Higher priority is given to children who apply to the nearest school within their catchment area.

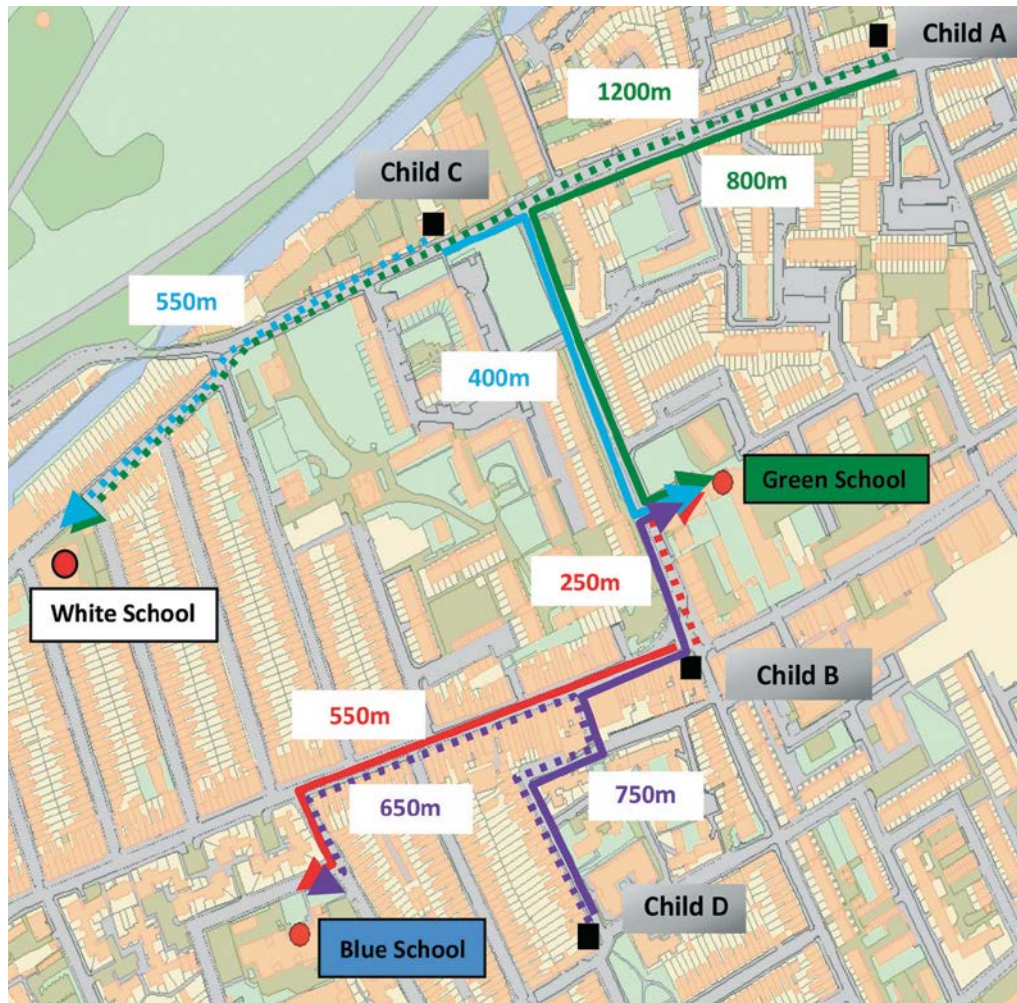

This reduces the possibility of a family having to undertake an unreasonable journey to school and provides equal opportunity for families living in parts of the borough where there are a limited number of schools. Please see the examples on the next page which show how this works in practice.

## Tie-break criteria

When there are more children within one of the admission priorities than there are places remaining at the school, the local authority must decide who to offer places to. The tie-break gives priority to children that live the shortest walking distance from the school. For example, a school may have 25 places remaining once all children for whom the school is the nearest school in the catchment area, but there are 30 other children who have applied and live within the same catchment area. The 25 children that live closest to the school will be offered a place and the five children that live furthest from the school will not be offered a place.

# Appendix A – Understanding school catchment areas and the oversubscription criteria

## Example 1

In this tie-break example, Child A, Child B, Child C and Child D have all applied to Green School.

Green School is the nearest school for Child A, Child B and Child C. The nearest school for Child D is Blue School.

Given that Green School is Child A, Child B and Child C's nearest school, their applications will have higher priority than Child D's.

The highest priority would be given to Child B who lives 250m away from Green School, followed by Child C, who lives 400m away and then Child A, who lives 800m away. These children would, therefore, be ranked in order of priority as follows:

Admissions criteria	Ranking order
<b>Priority 4</b> – nearest school in catchment area	1. Child B 2. Child C 3. Child A
<b>Priority 5</b> – catchment area	4. Child D

**Note:** Although Child D lives closer to Green School than Child A, Child A will have higher priority because Green School is Child A's nearest school.

# Appendix A – Understanding school catchment areas and the oversubscription criteria

## Example 2

This example is similar to the first one, but here Child B has decided not to apply to Green School, which is Child B’s nearest school.

Even though Child B lives closer to Green School than the other children, Child B would not be considered for a place at Green School, because no application was made. The ranking in order of priority would therefore be as follows:

Admissions criteria	Ranking order
Priority 4 – nearest school in catchment area	1. Child C 2. Child A
Priority 5 – catchment area	3. Child D

**Note:** Child B’s applications to Blue and White School would not be considered under the nearest school criterion because neither of these schools are Child B’s nearest school.

# Appendix B – A step by step guide to applying online

To start your online application please visit:  
[www.eadmissions.org.uk](http://www.eadmissions.org.uk)

You can also use the link from the local authority's website: [www.towerhamlets.gov.uk/schooladmissions](http://www.towerhamlets.gov.uk/schooladmissions)

## Registration

Go to [www.eadmissions.org.uk](http://www.eadmissions.org.uk)

This will take you to the welcome page – click on 'Create a new account' – see figure 1.

If you have previously applied using the online system you will be able to log in without the need for registration.

Then enter your details and click "Continue" – see figure 2.

You will then need to create a password (please note the password for future reference).

You will receive confirmation that your USO account has been set up and will be sent a reminder of your username – see figure 3.

You will need to validate your email address by clicking on the link in the email that is sent to you.

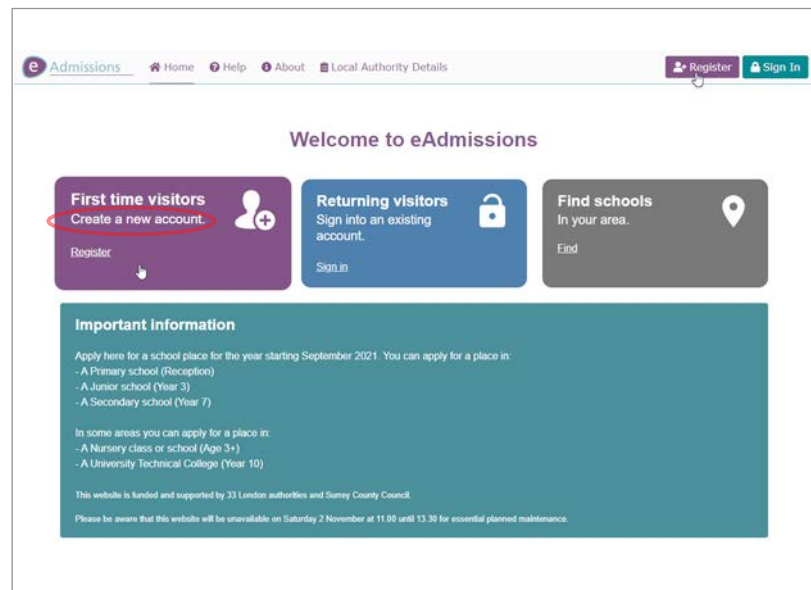

Figure 1

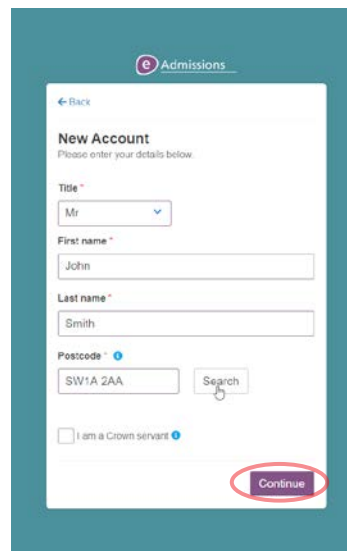

Figure 2

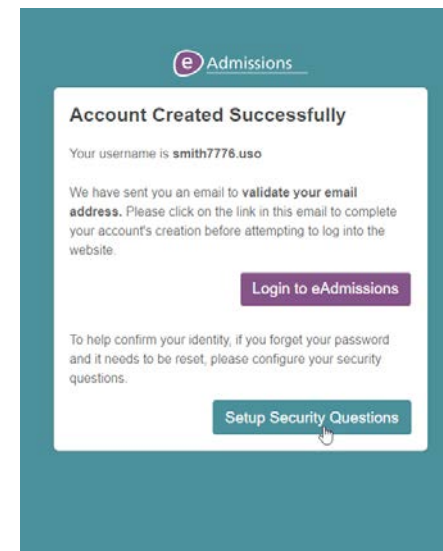

Figure 3

## Start an application

You can now log in with your email or username and will be directed to the home page – see figure 4.

From here you can make a new application, edit an existing application, view the details of any application already submitted and view the outcome of your application once it is available.

Click on 'Start Application' to begin.

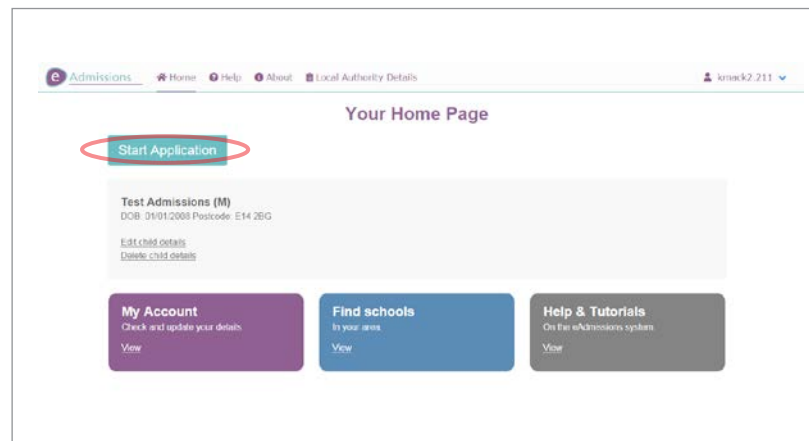

Figure 4

## Stage 1 – Child details

Fill in your child's details and then click 'Save and continue' – see figure 5.

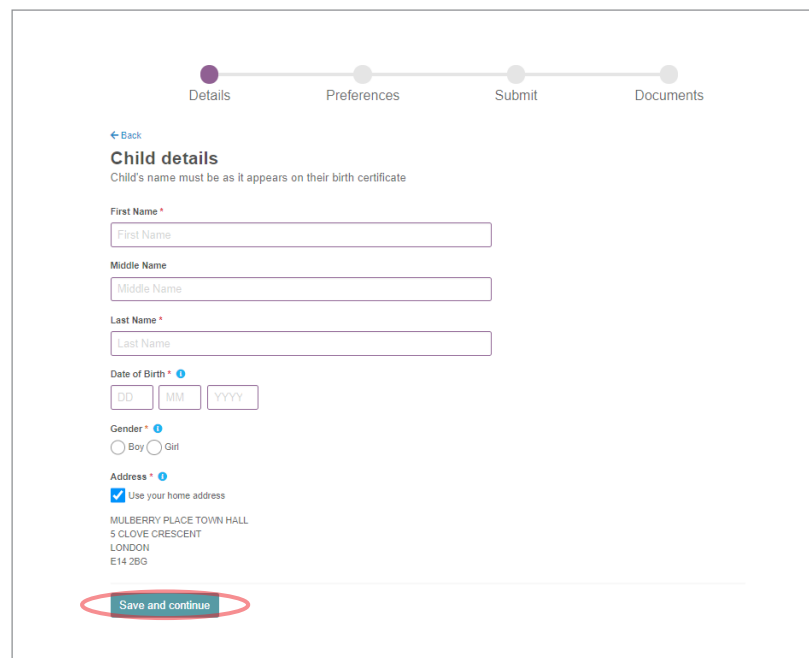

Figure 5

# Appendix B – A step by step guide to applying online

## Stage 2 – School preferences

Here you can apply for up to six schools, in Tower Hamlets and/or other boroughs. You should select the schools in order of preference, with the first selected school being your first preference and so on.

You can add a school in one of three ways:

1. By selecting the borough of the school using the dropdown list and then selecting the school.
2. By selecting your school from its location on a map.
3. By searching for the school by using keywords.

Click on 'Continue' – see figure 7.

For each school selected you will be asked to provide the following information:

1. Sibling information – you should click on the relevant box and fill in the details if your child has a brother or sister already at the school.
2. Exceptional medical or social reasons – you should tick the relevant box if there are medical or social reasons for your child to attend a particular school. You will be required to provide documentary evidence to support this.
3. Additional reasons – this is for you to give additional reasons for wanting a particular school.

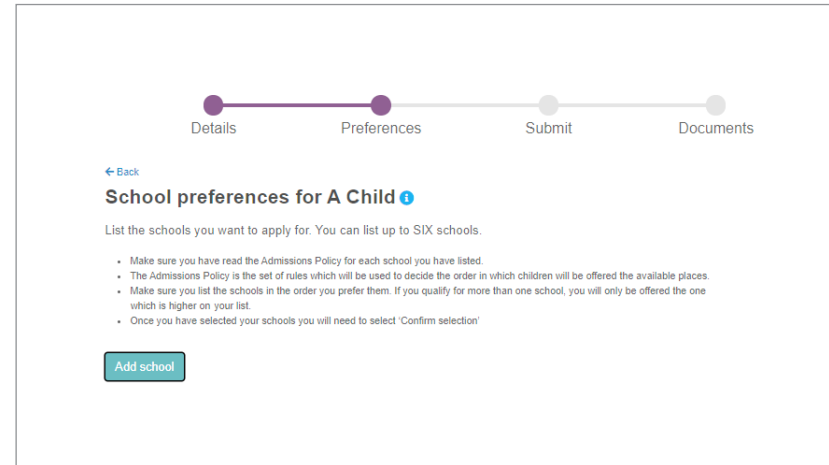

Figure 6

Figure 7

# Appendix B – A step by step guide to applying online

## Stage 3 – Check and submit

When you have entered all the required information, you will be prompted to check that the information is accurate and then asked to submit application – see figure 8.

Even if you submit it straight away, you can still make changes later, right up until the closing date.

## Confirmation

Once you have submitted an application, you will see the confirmation page, with a reference number. Please keep your reference number for any enquiries. You will also be sent an email to confirm that your application has been submitted.

It is advisable to print a copy of your application for your information.

Note: The last submitted application will be processed as your final application. If you have applied online, please do not fill out a paper application.

Thank you for applying online.

### Check & submit application

Please check the information you have supplied and then use the 'Submit Application' button at the bottom of the page to submit your application for processing by your home Local Authority shown below:

**TOWER HAMLETS**  
The London Borough of Tower Hamlets  
020 7364 5006  
school.admissions@towerhamlets.gov.uk

Child details	
Child name	A Child
Address	MILBERRY PLACE TOWN HALL 5 CLOVE CRESCENT LONDON

#### Declaration

By submitting this form I agree to the following:

- I have read the admissions guidance issued by the Local Authority for each school I have selected.
- I wish to apply for a place at each of the schools named above and have listed these in my order of preference.
- I will keep the Local Authority informed of any change of circumstances (e.g. change of address) and failure to do so may make this application invalid or lead to the offer of a place being withdrawn.
- I understand that the Local Authority may take steps to verify any information relating to this application.
- I understand that any false or deliberately misleading information given on this form and/or supporting information may make this application invalid or lead to the offer of a place being withdrawn.
- I understand that the Local Authority where I live is under a duty to protect the public funds it administers and may therefore share the information I have provided in this application within the Local Authority and with other bodies administering public funds, for the detection and prevention of fraud.

I have read and accepted the above declaration

**Submit application**

Figure 9

# Glossary – Definition of words used in this booklet

---

## **Academy**

An academy is a publicly funded school which operates outside of local authority control. It is funded directly by central government and does not have to follow the national curriculum. It can choose its own curriculum, as long as it is 'broad and balanced'.

## **Admission**

Entry to school.

## **Admission authority**

The organisation that draws up the admission arrangements and sets out the admission criteria for the schools it maintains. The local authority is the admission authority for community schools. Each voluntary, academy or free school is its own admission authority. All admission authorities within an area liaise closely to co-ordinate their admission arrangements.

## **Admission number**

The number of places available at a school for each year group.

## **Admission criteria**

Conditions set by the admission authority, which are used to decide whether or not a place can be offered to a child when a school receives more applications than place available.

## **Appeal**

The independent process for questioning a decision not to offer your child a place at the school you have applied for.

## **(CAF) Common Application Form**

The name of the local authority form used by anyone applying for a school place.

## **Community schools**

Schools maintained only by the local authority. The local authority is responsible for admitting children to these schools.

## **(DfE) Department for Education**

The central government department responsible for setting appropriate laws and guidance to help educate children and young people in England and Wales.

## **eAdmissions**

The online portal where parents submit their application for a reception place – [www.eadmissions.org.uk](http://www.eadmissions.org.uk)

## **Equal preference system**

A model where all applications are treated equally in accordance with the admissions policy. Therefore, if a school receives more applications than it has places available, the admission criteria will be applied to each application with no consideration given to whether or not the school is the first, second or third preference.

## **Free school**

Free schools are schools which are set up by groups of parents, teachers, charities, trusts, religious and voluntary groups. They are funded in the same way as academies – directly from central government.

## **Governing bodies**

Responsible for making sure that the school is managed in line with laws and follows policies in line with the conditions set by the DfE.

## **Infant, junior or primary schools**

Infant schools provide education for children aged four to seven, junior schools for children aged seven to 11, and primary schools for children aged four to 11.

## **In-year admissions**

In-year admission is where a child starts school at a time other than the normal point of entry.

## **Local authority**

The local authority is responsible for many services and this includes providing education across schools within the local authority's boundaries.

## **Voluntary aided schools**

Voluntary aided schools are either Church of England or Roman Catholic schools. Each school's governing body is responsible for admitting children to their school.
